**MFW2021-22**

***SS22 SEREIAS – Dive into the Brazilian folklore that inspired the new collection with the allure of an endless summer...***

### **The legend of lara**

lara, thrown into the water of a giant river by her tribe following the murder of her brothers, who wished to end her life, was transformed into a mermaid by the fishes of the watercourse after having brought her to the surface. Since then, she can be heard singing every night to enchant men in order to attract them in the depths of the water.

### **Van M's SS22 woman**

The story of a free, spontaneous, and sensual woman who now lives without constraint while continuing to have fun and dream to reveal her feminine sensuality with a touch of mystery.

### **Capsule collection SS22**

For this capsule collection SS22, Van M opens the doors of an imaginary world by playing with volumes, drapes, splits, and movements inspired by Brazilian beaches, waves without forgetting the unforgettable colors of the coast with golden reflections and turquoise water.

From blue to green through yellow and red, find the shades of a walk by the sea in search of mermaids...
